RE: LEVENTHAL v US
18-cv-3470(BMC)
(13-cr-695(BMC))

RUNNING OUT THE CLOCK

Judge Cogan:

By the time you read this, there will be less than 4 weeks remaining in my daughter's minority.

When Zissou began disinforming me about filing a 2255 questioning his ability, there were one and one half years remaining. When I filed the 2255 petition, there were five months remaining. When "the Government" requested and received an extension of time for the purpose of running out the clock, there were three months remaining.

This is unarguably no longer a consequence of my sentence - it is my sentence.

Yours truly,
